Self-directed Additional Learning Resources

SDLR-1

Module Title	Module 2: Content Moderation Models & Applicability
Topic	The role of Content Moderators & the Realities they face
Title of Resource:	Custodians of the Internet: platforms, content moderation and the hidden decisions that shape social media
Why use this resource?	To better understand the practices social media platforms use when it comes to content moderation and the effect they have in the material we us users are accessing.
What will you get from using this resource?	Gillespie (the author) provides an overview of current social media practices and explains the underlying rationales for how, when, and why these policies are enforced. In doing so, Gillespie highlights that content moderation receives too little public scrutiny even as it is shapes social norms and creates consequences for public discourse, cultural production, and the fabric of society.
